

RAYC Proposed 2018-19 Season Membership Fees

AGM, August 2018

Dear Member,

The General Committee have discussed and debated at length proposed membership fees for the 2018-19 season.

It is the General Committees desire that membership fees are set such that:

1. They represent outstanding value,
2. They encourage increased membership and participation,
3. They are payable in installments if so desired,
4. Recognition is given for commitment for membership of three and five years, and
5. There is recognition of the diverse range of members who make up the club.

The 2018-19 season is an historical season for the Club. The new Club building will open after years of planning and effort. The Hyundai Marine Sports Centre is genuinely a world class facility. The General Committee are working hard to make sure that the Club's activities and resources are also world class for members enjoyment.

The table of proposed membership fees below will be presented for membership vote at the August 2018 AGM. However, for members benefit they are available now for your consideration in advance of the AGM.
