

Royal Akarana Yacht Club / RAYC Sailing Academy

Boat Storage

Purpose	The purpose of this ' <i>Boat Storage Policy</i> ' is to ensure all the sailors and parents of Royal Akarana Yacht Club (RAYC) understand their obligation and responsibilities when storing their personal equipment on site.
Responsibilities	<p>RAYC is committed to ensuring continued boat storage at either ASC (Formally Auckland Sailing Club) or HMSC (Hyundai Marine Sports Centre).</p> <p>However, RAYC is not responsible or liable for any private boats left on site at either facility and will not be held accountable for any loss or damage of equipment.</p> <p>While storing equipment with RAYC you are responsible for the use of the facilities and ensuring their security. If you are unlocking the sheds to use equipment you must ensure they are closed and locked whenever the shed is unattended. Any loss or damage of RAYC equipment or facilities will be the shed user's responsibility.</p>
Boat Use Frequency	<p>Upon agreement of the Boat Storage Policy the user will also agree to the following expectation:</p> <p>Summer (Term 4 – Term 1): The user must sail at a minimum of 3 days per week. This will be made up of 2 days of academy course sessions (We also offer multiple-session discounts) and 1 day of either club racing/regattas/private sailing.</p> <p>Winter (Term 2 – Term 3): The user must sail at a minimum of 2 days per week. This will be made up of 1 day of academy course sessions and 1 day of club racing/regattas/private sailing.</p> <p>The boat use frequency is to guarantee the boat storage is being used efficiently and by those who would benefit the most by storing their boat at RAYC.</p>
Identifying Your Equipment	RAYC is not responsible for any misplaced or damaged equipment.

	<p>All of the boat's equipment needs to be clearly named with waterproof labels or ink. This includes; masts, booms, sail bags, foil bags etc.</p> <p>Trailers also need to be labelled with the sailor's name again with waterproof labels or ink.</p>
Storage Area and Expectation	<p>RAYC is a very busy club especially at peak season so you will need to ensure that your designated area is kept tidy and all your equipment is stored within that area.</p> <p>You are responsible for your area being tidy and organised. RAYC is not responsible or liable for any equipment or boat parts and equipment outside of your area may be moved if it inhibits coaching or general academy operations.</p> <p>You will be assigned a boat slot number (indoor storage). Please do not move your boat from this slot without first checking with RAYC Sailing Academy. If your boat is found in a different spot than the one it is assigned it may be moved or seized if it is disrupting operations or other stored boats.</p>
Security of the Facilities	<p>As the user you are responsible for ensuring the security of the facilities if you are operating.</p> <p>Any locked doors (Shed or Club Rooms) must be closed and locked any time they are unattended. The user will be responsible for any missing or damaged equipment (both RAYC's and Private) if the doors are left open/unlocked.</p> <p>If there is no club operations running/coaches on site the sailors will need to contact Maria (Head Coach) when unlocking any of the facilities.</p>
Payment and Cancellation	<p>To store boats with RAYC the sailor must be a current RAYC member or a member of a current family membership.</p> <p>The club will send the storage invoice which is for the year. Payment of the storage fee is an agreement to the terms outlined in this document.</p> <p>Optimist/Open Skiff - \$500 Starling - \$550</p> <p>RAYC will also reserve the right to discontinue storage at any time and the owner will be required to remove their equipment.</p> <p>When submitting your application for storage there may be a wait time or wait list.</p>
