St. Kents Blue	Westlake Girls Black	Westlake Boys	Westlake Girls Red
Waiheke			

Extract from Sailing Instructions:

20. FORMAT AND SCORING

20.1. Qualifying Series: Teams will be split into 4 pools in order to determine the rankings into gold & silver fleet. Each pool will complete one round-robin series, the highest ranked two teams will proceed automatically to the gold fleet, the four 3rd placed teams will contest a one-race repechage (A vs. D, B vs. C), the winners of the two repechages will proceed to gold fleet. All remaining teams will be in silver fleet. There will be no further movement between fleets at the conclusion of round robins. No wins shall be carried forward from this stage.

20.2. Gold/Silver Series: Once the teams have been split into gold & silver fleet, the racing will proceed with a round-robin format, aiming to complete as many rounds as possible throughout the remainder of the regatta.

20.3. Final Series: It is the intention that the top four ranked teams at the conclusion of the gold fleet series will contest a final series, consisting of semi-finals in a best of three format and final/petit final in a best of five format. It is also the intention to

hold a girls' final if no girls school/team reaches the semi-finals. If a girls team reaches the semi-final, they will win the girls title to compete for the overall title.

20.4. The Race Committee may change the format, terminate any series or stage or event when, in its opinion, it is impractical to complete the remainder of matches under existing conditions or in the remaining time available. Early stages may be terminated in favour of later stages. 20.5. Race schedules will be available to access via the regatta page on www.rayc.co.nz and will also be available on screens in the Race Office throughout the regatta.
