

2026 New Zealand Open Team Sailing National Championships

ROYAL AKARANA YACHT CLUB, OKAHU BAY

Change to Sailing Instructions #1

New Sailing Instruction Added

21.2 Provided at least three 'single institution' university teams are registered for the regatta, there will be a trophy awarded to the highest ranked university team. For a team to be an accepted entry as a university team, all six members of the team must be current students and must provide their student ID prior to the event. Failure to do so by the deadline provided may result in the team not being able to compete in the category.

The regatta will also constitute part of the UTSNZ Challenge Series.
